Insight Decision Solutions was established by insurance professionals to provide integrated, enterprise-wide, analytical systems for insurance companies.

We focus solely on insurance to bring you analytical solutions to meet your needs.

Our staff consists of qualified professionals, with extensive experience in insurance and systems.

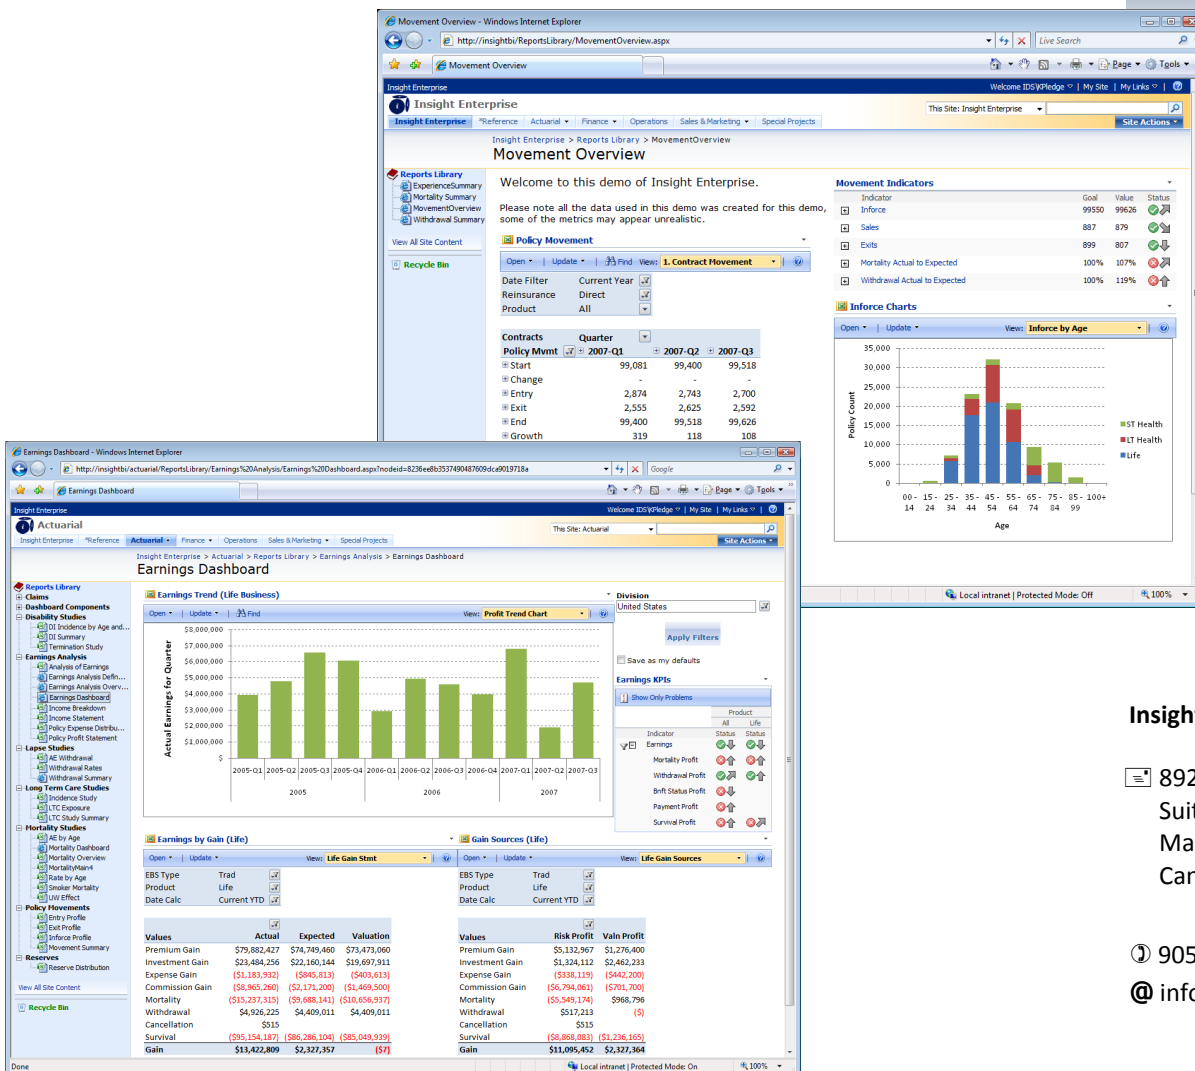

Insight Enterprise

Smart, confident decisions.

Insight Enterprise is a complete business intelligence system consisting of insurance analytics and applications, data storage, and data transformation and loading tools.

The system includes a number of unique features, including:

- Pre-built insurance specific applications, such as experience analysis, earnings by source and sales profitability.
- Open data model structured specifically for Life and Health insurance.
- Temporal data model enabling flexible analysis over time with fast response times for insurance applications.
